Velva Angler's Goldeye Breaks Record

Youth angler Brayden Selzler's catch on July 25 shattered a state record for goldeye that's been in the books for 16 years.

The 9-year-old Velva angler reeled in a 4-pound, 12-ounce goldeye from Lake Audubon.

The previous record of 3 pounds, 13 ounces was established in 1998 by Craig Unser, a Mandan angler who was fishing New John's Lake.

Pronghorn Application Deadline is Aug. 6

Pronghorn applicants are reminded the deadline for submitting applications for the 2014 hunting season is Aug. 6. Only North Dakota residents are eligible to apply.

Hunters are encouraged to [apply online](#) at the State Game and Fish Department website, gf.nd.gov.

People who have [accumulated preference points](#) and choose not to apply this year will not lose their points.

A new state law requires residents age 18 or older to prove residency on the application by submitting a valid North Dakota driver's license number or a North Dakota nondriver photo identification number.

Applications will not be processed without this information.

The season is open only in unit 4-A, the far southwestern corner of the state. A total of 250 any-pronghorn licenses are available, and the season is split into an early "bow-only" portion, and a later gun/bow season.
