### **Waterfowl Hunters Reminded of ANS Regulations**

Waterfowl hunters are reminded to do their part in preventing the spread of aquatic nuisance species into or within North Dakota.

Waterfowl hunters must remove plants and plant fragments from decoys, strings and anchors; remove plants seeds and plant fragments from waders and other equipment before leaving hunting areas; remove all water from decoys, boats, motors, trailers and other watercraft; and remove all aquatic plants from boats and trailers before leaving a marsh or lake. In addition, hunters are encouraged to brush their hunting dogs free of mud and seeds.

Cattails and bulrushes may be transported as camouflage on boats. All other aquatic vegetation must be cleaned from boats prior to transportation into or within North Dakota.

[ANS information](#), including regulations, is available by visiting the North Dakota Game and Fish Department website, [gf.nd.gov](http://gf.nd.gov).

### **Youth Pheasant Weekend Oct. 4-5**

North Dakota's two-day youth pheasant season is Oct. 4-5. Legally licensed residents and nonresidents ages 15 and younger may hunt roosters statewide.

Resident youth hunters, regardless of age, must possess a fishing, hunting and furbearer certificate and general game and habitat license. Nonresident youth hunters from states that provide a reciprocal licensing agreement for North Dakota residents qualify for North Dakota resident licenses. Otherwise, nonresident youth hunters must purchase a nonresident small game license.

Shooting hours are one-half hour before sunrise to sunset. Youth ages 12 and older need to have passed a certified hunter education course. The daily bag limit and all other regulations for the regular pheasant season apply.

An adult at least 18 years of age must accompany the youth hunter in the field. The adult may not carry a firearm.

See the [2014 North Dakota Small Game Hunting Guide](#) for additional information.
