Spring Light Goose Migration Updates

[North Dakota spring light goose hunters](#) can track general locations of geese as birds make their way through the state.

Hunters are able to call 701-328-3697 to hear recorded information 24 hours a day. Migration reports are also posted on the North Dakota Game and Fish Department website, gf.nd.gov. Updates will be provided periodically during the week as migration events occur, until the season ends or geese have left the state.

North Dakota's spring light goose season opened Feb. 21 and continues through May 17.

Residents can hunt during the spring season through March 31 with either a 2014-15 or 2015-16 license. However, the 2014-15 hunting license expires March 31. Residents will need a 2015-16 license beginning April 1.

Nonresidents need a 2015 spring light goose season license. The cost is \$50 and the license is good statewide. Nonresident youth under age 16 can purchase a license at the resident fee if they reside in a state that has a reciprocity licensing agreement with North Dakota.

Other season information, including regulations, is available by accessing the [Game and Fish website](#)

Game Wardens Association to Give Scholarship

The North Dakota Game Wardens Association has a \$300 scholarship available for a graduating high school senior entering college in fall 2015 who enrolls in fisheries or wildlife management with an emphasis on law enforcement.

Applicants must be North Dakota residents and have maintained a 3.25 grade point average. The scholarship will be awarded to the student upon proof of enrollment in college.

Applications are available by contacting the North Dakota Game and Fish Department at 328-6604; or email ndgf@nd.gov. Applications must be postmarked no later than May 9, 2015.
