Hunter Education Classes in 2013

Individuals interested in taking a hunter education class in 2013 should know that most courses are offered early in the calendar year.

To register for a hunter education course, students need to sign up online at the Game and Fish Department's website, gf.nd.gov. Many classes will be added over the next several weeks, and the rest will be added throughout the year as they are finalized.

To register, click on the online services tab, and "online course enrollment" under the hunter education heading. Classes are listed by city, and can also be sorted by start date. To register for a class, click on "enroll" next to the specific class, and follow the simple instructions. Personal information is required.

Those who do not have access to the Internet and want to sign up for a class can call the hunter education program in Bismarck at (701) 328-6615.

State law requires anyone born after Dec. 31, 1961 to pass a certified hunter education course to hunt in the state. Hunter education is mandatory for youth who are turning 12 years old, and children can take the class at age 11.
