

## **NDG&F October 3rd Newsletter**

### **Verify Deer Licenses, Gratis Applicants Apply Early**

The North Dakota Game and Fish Department urges deer hunters to find their license and check it for accuracy.

In addition, landowners interested in applying for a gratis license are encouraged to submit the application early. It is not possible to process the application the same day; applications are processed in the order received and the license will be mailed out the next day.

Every year the Game and Fish Department's licensing section receives last-minute inquiries from hunters who can't find their license. When that happens, it's difficult to try to get a replacement license in time for the season opener.

Another reason to check the license now is to make sure the unit and species is what you thought it should be.

Deer hunters in need of a replacement license can [print out a duplicate \(replacement\) license application](#) from the Game and Fish website, [gf.nd.gov](http://gf.nd.gov), or can call (701) 328-6300 to have an application mailed or faxed.

The form must be completely filled out and notarized, and sent back in to the department with a fee. Antlerless deer licenses are still available in units 2D, 3F1, 3F2 and 4F. Hunters should access the North Dakota Game and Fish Department website to apply online or for an updated list of licenses available. There is no limit to the number of deer licenses a hunter can receive.

### **Order 2012 OUTDOORS Calendars**

The North Dakota Game and Fish Department is taking orders for its North Dakota OUTDOORS calendar, the source for all hunting season and application dates for 2012. Along with outstanding color photographs of North Dakota wildlife and scenery, it also includes sunrise-sunset times and moon phases.

To order, send \$3 for each, plus \$1 postage, to: Calendar, North Dakota Game and Fish Department, 100 N. Bismarck Expressway, Bismarck, ND 58501-5095. Be sure to include a three-line return address with your order, or the post office may not deliver our return mailing.

The calendar is the North Dakota OUTDOORS magazine's December issue, so current subscribers will automatically receive it in the mail.
