

## NDG&F November 15th Newsletter

### Muzzleloader Season Opens Nov. 26, Antlerless Licenses Available

North Dakota's muzzleloader deer season opens at noon Friday, Nov. 26 and continues through Dec. 12. Hunters with a lottery muzzleloader license can hunt white-tailed deer statewide.

In addition, unfilled second, third or other concurrent season any-antlerless, antlerless whitetail or antlerless mule deer licenses are still valid, but only in the unit to which the license is assigned. Hunters with these licenses must use a muzzleloader and hunt only the species printed on the license.

Doe licenses are still available in units 3F1, 3F2 and 4F for hunters who would like to participate in the muzzleloader season. These licenses must be used with a muzzleloader in the assigned unit. Residents and nonresidents are eligible to apply for additional concurrent season antlerless licenses.

Hunters can apply online by accessing the North Dakota Game and Fish Department website, [gf.nd.gov](http://gf.nd.gov). Licenses may be purchased throughout the season as long as they are available.

### Game and Fish Advisory Board Meetings Announced

Outdoor enthusiasts are invited to attend a North Dakota Game and Fish Department advisory board meeting in their area.

These public meetings, held each spring and fall, provide citizens with an opportunity to discuss fish and wildlife issues and ask questions of their district advisors and agency personnel.

The governor appoints eight Game and Fish Department advisors, each representing a multi-county section of the state, to serve as a liaison between the department and public.

Any person who requires an auxiliary aid or service must notify the contact person at least five days prior to the scheduled meeting date.

**District 2** – Counties: Bottineau, Burke, McHenry, Mountrail, Pierce, Renville and Ward

Date: Nov. 29 – 7 p.m.

Location: Nelson Science Center, Dakota College Campus, Bottineau
