

Welcome to the NDHEA

**Some Highlights From Past
Years' '2005' & Prior**

VISION STATEMENT:

A proactive, informed group of ND volunteers who dedicate themselves to promoting quality education, who are recognized as leaders in enriching our hunting heritage with respect to safety, integrity and conservation.

NDHEA Mission Statement

*Instructors teaching tomorrow's
hunters.*

Dean Hildebrand

- The NDHEA would like to say thank you to Dean Hildebrand for all his years' of service and help to our organization-
Enjoy your retirement!! 😊

The deer photos submitted here are compliments of Eric Jaeger and Ron & Judy Jones of Parshall. The Jones's gave Mr. Jaeger permission to setup a nighttime camera to capture these beautiful deer photos at their farm 5 miles south of Parshall in January, 2005. Thank you for the beautiful photography of our natural wildlife.

Squirrels can be pets too 😊

- Your newsletter editor's pet squirrel- Save the squirrels 😊
- Thanks to all of you for your positive comments regarding my newsletter production
- -Neva Walsh-

- **Thanks to all the Instructors attending the 2005 Minot Workshop.**

NDHEA SENDS WOMEN TO CAMP EACH YEAR

workshop

LAKE METIGOSHE STATE PARK
BOTTINEAU, ND
AUGUST 11 - 13, 2006

develop confidence
learn skills
enjoy the great outdoors
forge new relationships
have fun

becoming an **Outdoors-Woman**

Becoming An Outdoors-Woman is a workshop primarily aimed at women, but is an opportunity for anyone 18 years or older to learn outdoor skills—skills usually associated with hunting and fishing, but useful for many outdoor pursuits.

This workshop is for you if

- You have never tried these activities, but have hoped for an opportunity to learn.
- You are a beginner who hopes to improve your skills.
- You know how to do some of these activities, but would like to try your hand at some new ones.
- You are just looking for the camaraderie of like-minded individuals.

Learn the basics:

- Firearms
- Canoeing
- GPS
- Edible wild plants
- Fly fishing
- Advanced fly fishing
- Birds and their nests
- Decoy carving
- Wildlife identification
- Bog slogging
- Predator calling
- Shotguns and rifles
- Archery
- Bow hunting
- Plant identification

and more!
